The **PHOENIX STORM** is a tackle football club in the North Valley committed to safety, skills and the character development of our youth.

VISION

To support the advancement of academics, athletics and citizenship of our local football-athletes with certified and experienced coaching personnel in order to perpetuate a gold standard for youth sports in the North Valley Community.

MISSION

To provide our local community a highly competitive, youth football program that develops individual character skills and leadership with emphasis on the team-first mentality in order to prepare out scholar athletes for the high school football experience.

In an effort to keep out registration fees as low as possible, and provide each Phoenix Storm team with as much financial support as possible, we welcome all personal and corporate sponsorships and/or donations.

With our successful efforts in fundraising through sponsorships and donations, we **DO NOT** allow individual players to go door to door or sell items during the season. This allows our players and families to focus on the experience of youth football, and other youth programs and the school teams who access to the community.
